

We are enclosing copies of From Waco to Wall Street, a biography of John Baugh and his wife, Eula Mae. The book was primarily written with two audiences in mind: the first would be for young people to encourage them in their careers by knowing that one can be successful while being moral and ethical as well; the second would reach businessmen and women who might never pick up a book about "Religion or Christianity", but might be influenced by the life of another businessman. Please use this in whatever way you see fit. Please know that you can get more copies if you want or need them by calling Babs, Jackie or Julie at the Foundation office. (210) 687-1015
We are honored to be associated with you.

*Hey Bill -

book that Tom Kennedy
wrote about my dad.
It is not a literary
masterpiece - but hope you
enjoy it -
Thanks -
